

NANTUCKET BOAT BASIN VOTED "BEST TRANSIENT MARINA" BY MARINALIFE

Nantucket, MA (November 2011) – *Marinalife* announced this month that Nantucket Boat Basin has been voted "Best Transient Marina" for the second year in a row, tying with Twin Dolphin Marina in Bradenton, Florida, after a nationwide poll in which more than 1400 ballots were submitted. The two-category survey was introduced last year as a way to reward marinas that go above and beyond in customer service and hospitality.

Subscribers to *Marinalife's* quarterly magazine and e-newsletter were asked to submit their choices for "Best Transient Marina" and "Best Customer Service;" the ballot was also available on the *Marinalife* website. Over 200 east and west coasts marinas, as well as Great Lakes marinas, were nominated, and Nantucket Boat Basin was voted "Best Transient Marina" once again.

George Bassett, who has been the dock master at the Boat Basin for 25 years, is thrilled with the repeat honor. "Marinalife does an outstanding service to the marina industry," said Bassett. "To be selected two years in a row is really great recognition from all of our guests. We will strive to continue our great service and hospitality in 2012."

Joy McPeters, the President, CEO, and Founder of *Marinalife*, has known George Bassett since the inception of her company. "The overwhelming support for the Nantucket Boat Basin proves that it offers a great boating experience," said McPeters. "With this recognition hopefully other marinas will follow their example."

About The Nantucket Boat Basin

The Nantucket Boat Basin is an elegant, full-service 240-slip marina located in on the west side of Nantucket Harbor. Able to accommodate vessels 35' to 316' in length, the Nantucket Boat Basin brings luxury to the boating experience, and is located just two blocks from Main Street and Nantucket's quaint shops and gourmet dining.
