

WHITE ELEPHANT
NANTUCKET, UNITED STATES

50 EASTON STREET, NANTUCKET, MA

The location of the White Elephant is unbeatable for Nantucket if you want to have easy access to town activities with kids. We stayed in one of the cottages with two bedrooms and a living room. Nicely appointed, the room configuration in these guest units is ideal. Beach toys are provided on arrival and the restaurant is clearly experienced in hosting families. Young kids will appreciate the small beach and playground nearby, and since the hotel is just steps from town, teens can enjoy a bit of independence.
