

**White Elephant Recognized by Annual *USA TODAY*'s "2017 10Best Readers' Choice Travel Awards"**

Adding to the White Elephant's growing portfolio of accolades, the hotel has been voted number six in the "Best Waterfront Hotels" category as part of *USA TODAY*'s 2017 "10Best Readers' Choice Travel Awards," announced in August 2017. The White Elephant was the only property in New England to receive this honor.

A panel of travel experts, including *Luxury Travel Diary* and *Pursuitist*, partnered with 10Best editors to select 20 nominees. Ten winners were then determined by popular vote. For the full list of award recipients, please visit <http://www.10best.com/awards/travel/best-waterfront-hotel-2017/>.

Located on Nantucket Harbor, the White Elephant has been a favorite Nantucket retreat since the 1920's. The hotel is home to Brant Point Grill, known for its Sunday Brunch and famous Lobster Bloody Mary. With live music seven nights a week, guests can dine al fresco and sip cocktails inspired by the island, such as "Nantucket Mule" and "Old South Church," all new this season. The White Elephant also invites travelers and locals to its lawn every Friday afternoon for "Buck-a-Shuck," featuring \$1 oysters and clams.
