

ACK **PINK** for Breast Cancer Awareness Month with Nantucket Island Resorts

For the month of October, Nantucket Island Resorts will donate \$1 to the [Marla Ceely Lamb Fund](#) for every new "Like" the [White Elephant](#) and [White Elephant Village](#) Facebook pages receive. The local charity, which helps Nantucket residents suffering from cancer defray the costs of transportation and lodging for off-island for treatment, will receive up to \$1500 as a result of the campaign.

In addition, White Elephant and White Elephant Village guests staying during the weekend of October 18-20 will have the opportunity to participate on the Nantucket Island Resorts-sponsored team during Nantucket's [Making Strides against Breast Cancer Walk](#) on Sunday, October 20, 2013. Those who join the team will receive a complimentary team tee-shirt.

You'll also notice that Trunket, the White Elephant's mascot, will be dressed in pink! Collect a pink ribbon at the White Elephant's front desk during October to join Trunket in announcing his support to make strides against Breast Cancer.
