

## *Introducing the* WHITE ELEPHANT VILLAGE BALLROOM & CONFERENCE CENTER

Now open, the new Ballroom and Conference Center is an extraordinary gathering spot for your next meeting, event, reception or milestone celebration. The **Ballroom**, **Reception** and **Executive Boardroom** spaces are designed for flexibility, accommodating meetings and events from 6 to 200 guests. With our own state-of-the-art kitchen on the premises, we are able to cater your event in the acclaimed White Elephant style, with exceptional service.

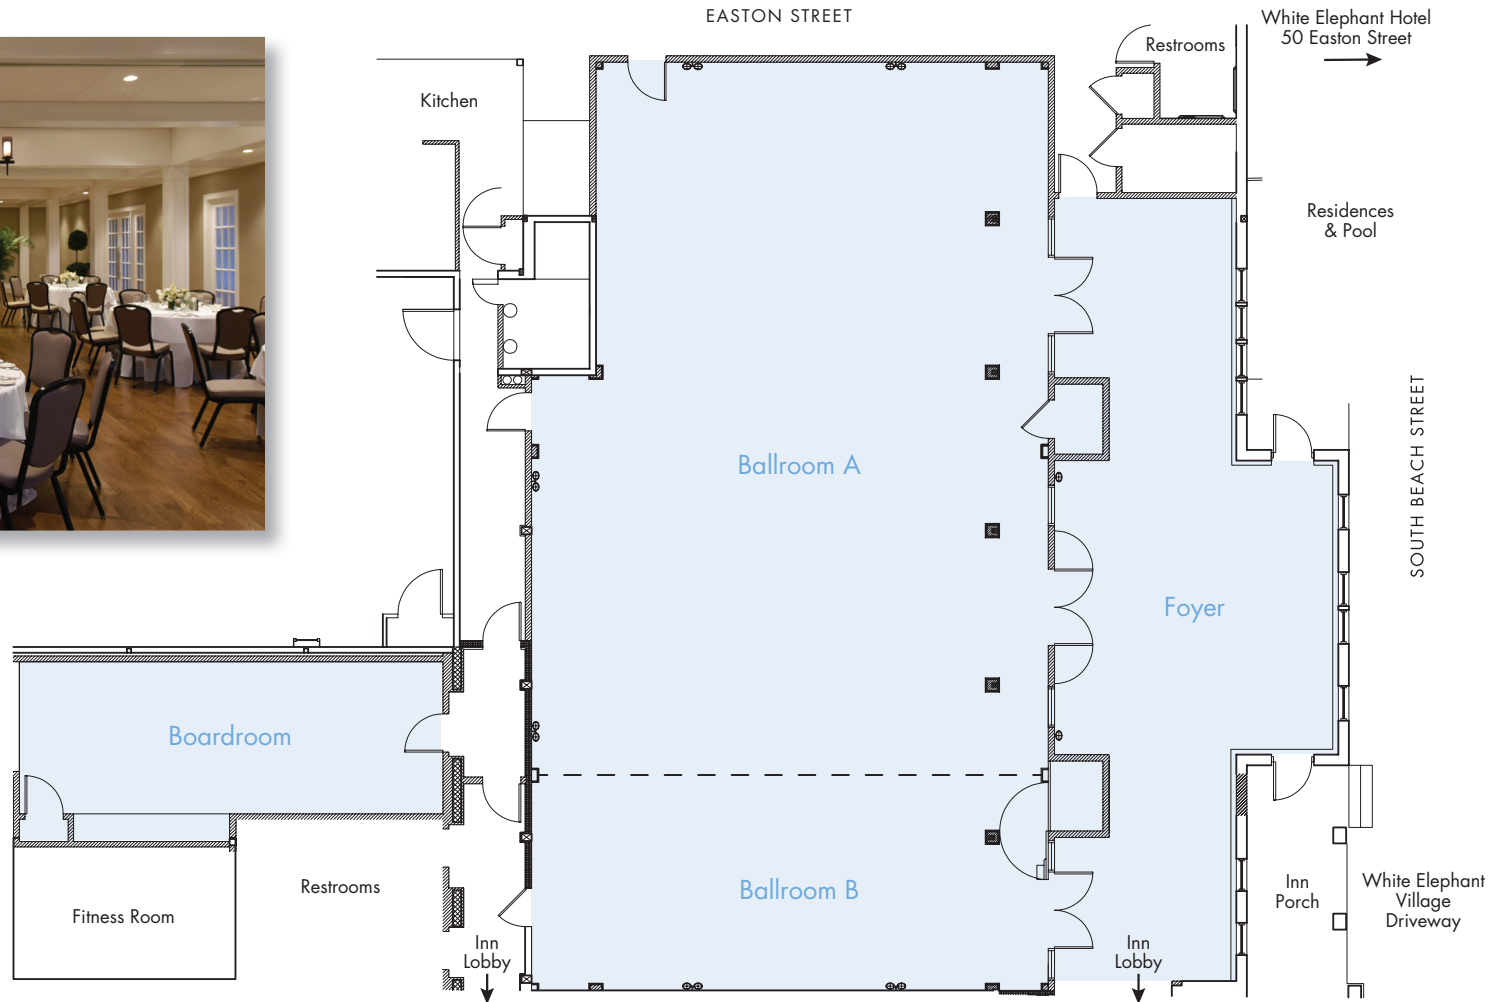

Taking its design cues from both the Inn and the Residences, the Ballroom carries the theme of island-inspired textures throughout the contemporary

furnishings and finishes. Classic muted Nantucket tones of sand and sea, coffered ceilings, oak floors and chic and elegant lighting, all provide the backdrop for your celebration or event.

The ballroom sits amid beautiful gardens and pathways of the Village with luxurious accommodations just steps away. Whether you choose to stay in the intimate Inn or the spacious Residences, the Village does not disappoint. Guests also have the option of staying harborside at White Elephant, enjoying all the amenities of this award-winning hotel, just a short walk from White Elephant Village.
