

33 Incredible Springtime Adventures

Following winter doldrums and before the rush of summer travel, spring is the perfect time to explore. Here's *AD's* list of the most exciting seasonal trips

TEXT BY [HANNAH HUBER](#) · Posted February 12, 2018

When the weather warms and daylight begins to stretch past 5 P.M., it's only natural to itch for a change of scenery. Embrace that invigorating feeling and try something new. Whether you're seeking an adrenaline-rushing activity or a visit to an unfamiliar place, spring is the ideal time to stretch your adventure legs. Below are a few suggestions to ease your way into springtime splendor.

Daffodil Festival, Nantucket, Massachusetts

There is no better way to usher in the beginning of spring than marking the occasion with a parade of vintage cars down the old cobblestone street of Nantucket while daffodils are just beginning to bloom. Soak in the experience at *The Wauwiner's* annual lawn party, where guests wear yellow and green to celebrate the festival.
